Nepali program coordinator for entrepreneurship program in Korea

The Bridge International is looking for a Nepali program coordinator who will assist an entrepreneurship training program for Nepali migrant workers currently employed in Korea.

[Introduction to The Bridge International]

The Bridge International (hereby TBI) is a global NGO and social enterprise, based in Seoul, South Korea. TBI was established in 2013, with a mission to nurture and serve the social innovators in Korea and overseas as a global platform.

TBI has been providing a wide range of support from capacity building for economic empowerment in business education/consulting to the early stage of investment through its unique system of ‘impact donation’ for entrepreneurs in developing countries. In addition, TBI has been conducting incubation programs for young social entrepreneurs in Korea and developing countries to achieve Sustainable Development Goals (SDGs).

[Project Overview]

With the support of KOICA and MoLESS Nepal, TBI is implementing 『**KOICA project for Strengthening Stage-wise Support System for the stable reintegration of returnee migrants in Nepal**』 . As part of the project, TBI aims to capacitate returnee migrant workers and help establish a business with the capital, knowledge and skills they

achieve during the overseas jobs, while increasing their financial accessibility of business funds through establishing bilateral matching funds.

By doing so, TBI seeks to promote a stable entrepreneurial ecosystem for the nepali returnees by addressing their constraints related to startup information, skills, and funding shortages as well as create virtuous cycle and support systems for the returnees according to migration stage.
