Examples of Impermissible Work Experiences·Training Course Completion·National certificate

• **Work Experiences** : Even though a candidate has work history in the applied industry, the work experience will be impermissible if the experience is irrelevant. Experiences in sales, human resources, accountants, education, public service (except for technicians), , gas station, cookery, serving and hairdressing are not applied to Manufacture and Construction.

Exceptionally, previous instructors in the applied industry, could submit the related documents. For example, a previous instructor of Assembly could be qualified to use the experiences for Manufacture.

• **Academic Background** : **Only counts for the Manufacture Industry**, and irrelevant majors to the applied industry are impermissible. Sending agency should set up the standard of colleges or universities which are officially approved as higher education institution autonomously. For example, school of medicine, nursing, accounting are irrelevant with the manufacture industry.

• **National Certificates** : If a national certificate is not relevant to the applied industry, the candidate shouldn't submit Copy of national certificate or the original of confirmation document. For example a driving license, language certificates, vocational licenses (medical, pharmacist and lawyer's license) are not permissible.
